Oil Nubuck

Size 42: 670 g

- The ergonomically formed aluminium toe cap gives better protection to the toes and avoids irritations when bending your foot.
- The flexible nail protection of special textile increases comfort and protects against cold. In addition, the textile midsole is larger and better protects against nails and sharp objects in a wider area compared with a steel midsole.
- Extra long lifetime with durable TPU reinforcement at the toe.
- Superior comfort with shock absorbing zones in both the heel and sole.
- Stabilisation with MASCOT's patented multi-function shank, makes our footwear suitable even when working on uneven surfaces or on ladders.
- Slip resistant, durable sole (SRC-certified).
