## DATASHEET

### KIT VISIX CLEAR

This optimally shaped transparent all-purpose half visor protects the face from impacts and flying parts. The unique sealing lip prevents even the smallest particles from entering. It is made of polycarbonate with high impact protection. VISIX can be easily and quickly attached to the Gear Rack of any INCEPTOR GRX helmet without additional tools. When working, the visor can be flexibly adjusted to be worn lowered, at half height or upwards. It also provides exterior protection against scratches as well as fog protection from the inside. - Molded polycarbonate visor with high impact protection - Versatile, easy to fit - Compatible with all INCEPTOR GRX helmets
