ProFlex 925F(x) Dorsal Impact-Resistant Gloves - ANSI/ISEA 138-2019 Level 2, EN 388: 4121XP

FEATURES

- **IMPACT PROTECTION** - Full TPR armor with technical foam absorbs and disperses blows to help prevent hand injuries
- **STRONG GRIP** - AX® Suede palm with non-slip dots delivers secure handling in dry or wet conditions
- **DURABLE REINFORCEMENT** - Armortex® overlays on thumb saddle and index finger strengthen high-wear areas for longer glove life
- **BREATHABLE VISIBILITY** - Hi-vis mesh construction promotes airflow to keep hands cool and seen
