NLG ID™
Serialised and safe

Simply scan the NLG ID tag with your phone to instantly access certificates, instruction videos and log inspections. (See Specification if included).

Third-party tested and certified

Independent laboratory load testing certificates and Declarations of Conformity are available on request. Please contact team@neverletgo.com.

DESCRIPTION

The Short Coil Lanyard is the tool lanyard of choice for workers using small hand tools up to 3kg.
 The lanyard features dual Quick Clips™ connectors that provide full freedom of movement with your tool of choice and are specially adapted for use with gloves.
 The compact coil design is both durable and easy to clean thanks to its anti-puncture sleeve making it ideal for dirty and harsh work environments.
 When paired with the Adjustable Wristband it creates an ultra-compact and secure tethering system for small hand tools.

FEATURES

Dual Quick Clips™ provide effortless and secure attachment as well as anti-tangle functionality
 Ultra-compact design stays neatly out of the way and reduces snagging hazards
 Ideal for use with NLG Wristband
 Durable and lightweight PU Core

INSPECTION

In addition to routine checks before each use, all equipment should undergo regular detailed inspections, conducted and recorded by a competent person using the NLG Inspection Checklist. If any part is worn or shows signs of degradation, immediately retire from service. In the event of a drop, quarantine the equipment for a thorough inspection.
