**NLG ID™**  
Serialised and safe

Simply scan the NLG ID tag with your phone to instantly access certificates, instruction videos and log inspections. (See Specification if included).

Third-party  
tested and certified

Independent laboratory load testing certificates and Declarations of Conformity are available on request. Please contact [team@neverletgo.com](mailto:team@neverletgo.com).

DESCRIPTION

The Rope/Pro™ Pouch is a lightweight and durable tool pouch which is the perfect companion when working at height. The unique weather-resistant quick-cinch closure provides easy access to the pouches' contents with easy one-handed operation. Internally the Rope/Pro™ Pouch features 4 load-rated anchor points that can be used to securely attach tools. Constructed from our unique Innervis™ material, the Rope/Pro™ Pouch will keep the contents safe and easy to manage due to the excellent interior visibility and superb protection from the elements.

FEATURES

Innervis™ material provides increased interior visibility and protection from the elements  
 Unique opening system allows for easy access and one-handed operation  
 Universal fit with Quick Connect™ buckle or metal D ring for easy attachment  
 4 integrated anchor points for multiple tool lanyard attachment  
 Reinforced base with drainage holes  
 Load-rated external daisy chain for easily attaching items to the pouch

INSPECTION

In addition to routine checks before each use, all equipment should undergo regular detailed inspections, conducted and recorded by a competent person using the NLG Inspection Checklist. If any part is worn or shows signs of degradation, immediately retire from service. In the event of a drop, quarantine the equipment for a thorough inspection.
